

Introduction

We are an Auckland based scaffolding company. We pride ourselves on our service and the ability to quote and build on time. You are probably looking for a company that is efficient, meets your budget and understand your requirements; making suggestions that save you time and money.

We would like a long term relationship with all our clients and work hard toward that goal.

Accent On Scaffolding Ltd has a wide range of service which include:

- Modular System
- Steel Scaffolding
- Temporary Fencing
- Shore Loading
- Scaffolding over Verandas and Roofs
- Roof edge protection
- Cantilevered Scaffolds
- Hanging Scaffolds
- Shrink Wrap applications

About Us

Our team is qualified and supervised by a Scaffolder holding an Advanced Scaffolding Certification. We place great emphasis on Service, Safety and Price. If you want a quote or just some advice, give us a call on the number above.

Our scaffolding manager - Roger Te Wake has 15 years' experience in the scaffolding industry. Site safe supervisor gold card.

He has managed commercial and residential scaffolding projects, big and small, painting, remedial and construction.

Below is a list of Commercial projects I have been involved with.
